

CLIENT FEEDBACK 2016 PART I

Pre-audit communication was smooth, audit was a pleasant experience for all auditee.

Thank you thank you thank you!!!

Wow – now that's what we call superb service – THANK YOU

Thanks for your mail and your prompt reply in speed of light.

As per the normal standard from IOM surveyors your quick and swift response is much appreciated

You are a complete wonder and we wonder what we would do without you, your team and all the support we get from the Registry!

I have to say that you folks have been terrible efficient in answering my questions and getting me up to speed...it is a joy working with all of you

I always admire IOM Ship Registrars efficiency and quick responses.

As always thank you for your help, very clear and helpful!

Thanks, a great story of success

Just a few words to say what an excellent report and interesting content: really emphasises the Ship Registry in a very balanced and dynamic manner as a forward moving Register

You have been so helpful and a joy to deal with.

I just feel the need to thank you once more for the fruitful cooperation we had on this issue and, to congratulate you for your professional attitude and approach!

CLIENT FEEDBACK 2016 PART I

Once again thank you so much for your great assistance and service.

Quick service as always, you're a star.

Brilliant as usual, a breathtakingly efficient service!

Thanks so much for your help and good work!

Everything went well thanks to you all!

Best ship registry service in the world... FACT!!

Thank you so much for your prompt service rather impressed.

Thanks for an amazingly quick action. Really appreciate it.

Holy smokes that was quick – THANK YOU

Thank you for the speedy turnaround, much appreciated.

That's brilliant - I'm Impressed!

The auditor is very knowledgeable and is a pleasure to speak with.

"I just wanted to say it has been my pleasure working with you all, over the years, I can honestly say the IOM Flag are one of the best, most practical, pragmatic and easy to work with that, I personally, have the pleasure working with. Thanks for all your help and assistance to over the years, the laughs (lots) tears (not so many) and just being a great bunch to work with."

I wish to
thank you very
much for your
patience and
precious help

The IOM Ship Registry is very practical and provides maximum support to ships staff.
