PART 1 OF THE MERCHANT SHIPPING REGISTRATION ACT
1991 (THE MAIN REGISTER)**

**The aim of this advice note is to provide guidance notes for

foreign flag ship)**

*(Advice note to owners, Representatives, agents, legal representatives and

In the case of a ship which was previously foreign registered the evidence required is a Bill of Sale from the last foreign owner to the applicant.

Your appointed Represented Person on the isle of Man should be able to help with this. Once obtained, the call sign and MMSI number are to be forwarded to the Isle of Man Ship Registry for our records. Once the EPIRB is programmed, notification should be passed to the

Maritime and Coastguard Agency (MCA) in Falmouth:

- 11.** If a merchant vessel is transferring from another flag, arrange for the continuous synopsis record (CSR) to be forwarded to this Registry.
- 12.** Pay fees prior to any inspection or survey being carried out and the ship being registered. The fees are based on a fixed fee for registration whilst inspection/survey fees are based on a hourly rate for the Surveyor plus the costs of traveling and subsistence.

On completion of the above procedures, an Official Number will be allocated to the ship and a Carving and Marking Note will be issued indicating how the ship is to be marked.

Following a satisfactory inspection/survey of the ship and the marking of the ship and certification of the Carving and Marking Note by an authorised person, (usually a Surveyor from the Registry or an approved Classification Society in the case of merchant ships and large yachts or in the case of the smaller yachts by the owner or owner's authorised officer), the ship will be registered and a Certificate of Registry will be issued together with the appropriate certificates referred to in (8) above if relevant.

The forms specified above are available from the Registrar of Ships or from our website at www.iomshipregistry.com

Registry Advice Note No 05 outlines the additional documentation required to be submitted when application is made by a Limited Partnership.

For details of other registration procedures such as the transfer of registration from other British Territories and registration of bills of sale and mortgages etc., please contact the Registrar of Ships at Isle of Man Ship Registry.
