Before His Excellency SIR JOHN PAUL, Knight Grand Cross of the Most Distinguished Order of St. Michael and St. George, Officer of the Most Excellent Order of the British Empire, Lieutenant Governor, the Council and Keys.

AN ACT

to make better provision in the law relating
to masters and seamen in merchant ships, and
for purposes connected therewith.

WE, your Majesty's most dutiful and loyal subjects, the Lieutenant Governor, Council and Keys of the said Isle, do humbly beseech your Majesty that it may be enacted, and be it enacted, by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lieutenant Governor, Council and Keys in Tynwald assembled, and by authority of the same, as follows (that is to say):-

Engagement and discharge of crews

Crew agreements
P1970/36/1

1. (1) Except as provided under subsection (5), an agreement in writing shall be made between each person employed as a seaman in a ship registered in the Island and the persons employing him and shall be signed both by him and by or on behalf of them.

   (2) The agreements made under this section with the several persons employed in a ship shall be contained in one document (in this Act referred to as a "crew agreement") except that in such cases as the Department of Economic Development (in this Act referred to as "the Department") [...] may approve-

   (a) the agreements to be made under this section with the persons employed in a ship may be contained in more than one agreement; and

   (b) one crew agreement may relate to more than one ship.

(3) The provisions and form of a crew agreement must be of a kind approved by the Department [...] and different provisions and forms may be so approved for different circumstances.

(4) Subject to the following provisions of this section, a crew agreement shall be carried in the ship to which it relates whenever the ship goes to sea.
(5) Regulations may provide for exemptions from the requirements of this section—

(a) with respect to such descriptions of ship as may be specified in the regulations or with respect to voyages in such areas or such description of voyages as may be so specified; or

(b) with respect to such descriptions of seamen as may be specified in the regulations;

and the Department [...] may grant other exemptions from those requirements (whether with respect to particular seamen or with respect to seamen employed by a specified person or in a specified ship or in the ships of a specified person) in cases where the Department is satisfied that the seamen to be employed otherwise than under a crew agreement will be adequately protected.

(6) Where, but for an exemption granted by the Department, a crew agreement would be required to be carried in a ship or a crew agreement carried in a ship would be required to contain an agreement with a person employed in the ship, the ship shall carry such document evidencing the exemption as the Department [...] may direct.

(7) Regulations may enable ships required under this section to carry a crew agreement to comply with the requirement by carrying a copy thereof, certified in such manner as may be provided by the regulations.

(8) If a ship goes to sea or attempts to go to sea in contravention of the requirements of this section, the master or the person employing the crew shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding £5,000 and the ship, if in the Island, may be detained.

Discharge of seamen when ship ceases to be registered in the Island
P1970/36/5

2. (1) Where a ship registered in the Island ceases to be so registered, any seaman employed in the ship shall be discharged from the ship unless he consents in writing to continue his employment in the ship; and sections 4 to 6 shall apply in relation to his wages as if the ship has remained registered in the Island.

(2) This section does not apply to a ship to which the Merchant Shipping (Maritime Labour Convention) Regulations 2013 apply.

Restrictions on making arrangements for employment of seamen
P1970/36/6

3. (Repealed by the Merchant Shipping (Miscellaneous Provisions) Act 1996)
Wages, etc.

The following amendments (printed in bold italics) are made to section 4 of the Act by GC 18/91

Payment of seamen's wages.

4. (1) Where a seaman employed under a crew agreement relating to a ship leaves the ship on being discharged from it, then, except as provided by or under this Act or any other enactment, the wages due to the seaman under the agreement shall either -

(a) be paid to him in full at the time when he so leaves the ship (in this section and section 5 of this Act referred to as the time of discharge), or

(b) be paid to him in accordance with subsections (3A) and (3B).

(2) If the amount shown in the account delivered to a seaman under section 5(1) as being the amount payable to him under paragraph (a) of subsection (1) of this section is replaced by an increased amount shown in a further account delivered to him under section 5(3), the balance shall be paid to him within 7 days of the time of discharge; and if the amount so shown in the account delivered to him under section 5(1) exceeds £50 and it is not practicable to pay the whole of it at the time of discharge, not less than £50 nor less than one quarter of the amount so shown shall be paid to him at that time and the balance within 7 days of that time.

(3) If any amount which, under subsection (1)(a) or (2) of this section, is payable to a seaman is not paid at the time at which it is so payable, the seaman shall be entitled to wages at the rate last payable under the crew agreement for every day on which it remains unpaid during the period of 56 days following the time of discharge; and if any such amount or any amount payable by virtue of this subsection remains unpaid after the end of that period it shall carry interest at such rate as the Treasury may by order prescribe, but no such order shall have effect until it has been approved by Tynwald.

(A rate of 20% is prescribed by the Payment of Seamen’s Wages (Rate of Interest) Order 1990 (GC 210/90)).

(3A) Where the crew agreement referred to in subsection (1) provided for the seaman's basic wages to be payable up-to-date at specified intervals not exceeding one month, and for any additional amounts of wages to be payable within the pay cycle following that to which they relate, any amount of wages due to the seaman under the agreement shall, subject to subsection (3B), be paid to him not later than the date on which the next payment of his basic wages following the time of discharge would have fallen due if his employment under the agreement had continued.

(3B) If it is not practicable, in the case of any amount due to the seaman by way of wages additional to his basic wages, to pay that amount by the date mentioned in subsection (3A), that amount shall be paid to him not later than what would have been the last day of the pay cycle immediately following that date if his employment under the crew agreement had continued.
(3C) If any amount which, under subsection (3A) or (3B), is payable to a seaman is not paid at the time at which it is so payable, it shall carry interest at the rate of 20 per cent. per annum.

(4) The provisions of subsection (3) or (3C) shall not apply if the failure to pay was due to a mistake, to a reasonable dispute as to liability or to the act or default of the seaman or to any other cause, not being the wrongful act or default of the persons liable to pay his wages or of their servants or agents; and so much of those provisions as relates to interest on the amount due shall not apply if a court in proceedings for its recovery so directs.

(5) Where a seaman is employed under a crew agreement relating to more than one ship, the preceding provisions of this section shall have effect, in relation to wages due to him under the agreement, as if for any reference to the time of discharge there were substituted a reference to the termination of his employment under the crew agreement.

(6) Where a seaman, in pursuance of section 2, is discharged from a ship outside the Island but returns to the Island under arrangements made by the persons who employed him, the preceding provisions of this section shall have effect, in relation to the wages due to him under a crew agreement relating to the ship, as if for the references in subsections (1) to (3A) to the time of discharge there were substituted references to the time of his return to the Island, and subsection (5) were omitted.

(7) For the purposes of this section any amount of wages shall, if not paid to a seaman in cash, be taken to have been paid to him -

(a) on the date when a cheque, or a money or postal order issued by the Post Office, for that amount was despatched by the recorded delivery service to the seaman's last-known address, or

(b) on the date when any account kept by the seaman with a bank or other institution was credited with that amount.

Account of seamen's wages
P1970/36/8

5. Subject to subsections (3A) and (4) and to regulations, the master of every ship registered in the Island shall deliver to every seaman employed in the ship under a crew agreement an account of the wages due to him under that crew agreement and of the deductions subject to which wages are payable.

(2) The account shall indicate that the amounts stated therein are subject to any later adjustment that may be found necessary and shall be delivered not later than 24 hours before the time of discharge or, if the seaman is discharged without notice or at less than 24 hours' notice, at the time of discharge.

(3) If the amounts stated in the account require adjustment, the persons who employed the seaman shall deliver to him a further account stating the adjusted amounts; and that account shall be delivered not later than the time at which the balance of his wages is payable to the seaman.
(3A) Where subsection (3A) or (3B) of section 4 applies to the payment of any amount of wages due to a seaman under a crew agreement -

(a) the persons who employed the seaman shall deliver to him an account of the wages payable to him under that subsection and of the deductions subject to which the wages are payable; and

(b) any such account shall be so delivered at the time when the wages are paid to him; and

(c) subsections (1) to (3) of this section shall not apply;

and subsection (7) of section 4 shall apply for the purpose of this subsection as it applies for the purposes of that section.

(Subsection 3A is added by G.C. 18/91)

(4) Where a seaman is employed under a crew agreement relating to more than one ship, any account which under the preceding provisions of this section would be required to be delivered to him by the master shall instead be delivered to him by the persons employing him and shall be so delivered on or before the termination of his employment under the crew agreement.

(5) If a person fails without reasonable cause to comply with the preceding provisions of this section, he shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding £1,000.

Power of superintendent or proper officer to decide disputes about wages or indemnities arising from the ship’s loss or foundering.
P1970/36/10

(a) to a seaman employed under a crew agreement;

(b) to a seafarer employed under a Seafarer’s Employment Agreement –

(i) in respect of remuneration; or
(ii) in respect of indemnities in the case of injury, loss or employment arising from the ship’s loss or foundering, maybe submitted by the parties to a superintendent or proper officer for a decision.

But the superintendent or proper officer shall not be bound to accept the submission or, if he or she has accepted it, to decide the dispute, if of the opinion that the dispute, whether by reason of the amount involved or for any other reason, ought not to be decided that way.

(2) The decision of a superintendent or proper officer on a dispute submitted to him under this section shall be final.
Restriction on assignment of and charge upon wages.
P1970/36/11

7. (1) Subject to subsections (2) and (3), the following provisions shall have effect with respect to the wages due or accruing to a seaman employed in a ship registered in the Island, that is to say-

   (a) **except in relation to a maintenance order**, the wages shall not be subject to attachment or arrestment;

   (b) an assignment thereof before they have accrued shall not bind the seaman and the payment of the wages to the seaman shall be valid notwithstanding any previous assignment or charge; and

   (c) a power of attorney or authority for the receipt of the wages shall not be irrevocable.

(2) Nothing in this section shall affect the provisions of this Act with respect to allotment notes.

(3) Nothing in the section applies to any disposition relating to the application of wages -

   (a) in the payment of contributions to a fund declared by regulations to be a fund to which this section applies; or

   (b) in the payment of contributions in respect of the membership of a body declared by regulations to be a body to which this section applies.

or to anything done or to be done for giving effect to such a disposition.

(Subsection (4) added by GC. 169/80)

P1970/36/12

8. In any proceedings by the master of a ship or a person employed in a ship otherwise than under a crew agreement or Seafarers Employment Agreement for the recovery of any sum due to him as wages, the court, unless it appears to it that the delay in paying the sum was due to a mistake, to a reasonable dispute as to liability or to the act or default of the person claiming the amount or to any other cause, not being the wrongful act or default of the persons liable to make the payment or their servants or agents, may order them to pay, in addition to the sum due, interest on it at such rate as the court may specify, for the period beginning 7 days after the sum became due and ending when the sum is paid.

(2) Where a ship registered in the Island is sold while outside the Island or ceases to be so registered and a seaman's employment in the ship is thereby terminated before the date contemplated in the agreement under which he is so employed, then, unless it is otherwise provided in the agreement, he shall, subject to the following provisions of this section, be entitled to wages at the rate payable under the agreement at the date on which his employment is terminated for every day on which he is unemployed in the 2 months following that date.

(3) A seaman shall not be entitled to wages by virtue of subsection (1) or subsection (2) for a day on which he was unemployed, if it is shown-

(a) that the unemployment was not due to the wreck or loss of the ship or, as the case may be, the termination of his employment on the sale of the ship or its ceasing to be registered in the Island; or

(b) that the seaman was able to obtain suitable employment for that day but unreasonably refused or failed to take it.
